## **For Your Prayers**

Pray for the elderly you know, who will not tolerate this warmer weather very well. Remember those who lead worship at the Rose Garden. May they receive from the Lord in order to be able to continue giving out.

May those toward the end of their earthly lives know that the best is yet to come with the certain hope that comes from faith in Jesus Christ.

Pray for night shift as hot weather and alcohol don't mix well. May we be part of keeping valuable souls safe.

Pray for Jill S having a total knee replacement this week - for no complications, great skill for the surgeon and anaesthetist. Pray for Cynthia and Alan to continue to make steady progress after release from hospital.

Pray for our Government to have the wisdom to make good choices and to be supported rather than attacked recognising political differences.

Pray for all those finalising the programmes for Christian summer camps. May the topics be relevant, fun and lead many to Christ.

Continue to pray for Mark T to be fit and ready for the next stage of his treatment. May he have the Lord's strength.

## **Congratulations**

Many congratulations to Sue and Des celebrating their ruby wedding anniversary today.

## **Activate walk and meal**

Ladies, a walk and meal are being planned for the afternoon / evening of Saturday 14 July. Details are yet to be finalised but make a note in your diaries if you'd like to come along. The walk will be 4-5 miles. If you don't want to come for the walk, then why not just come for the food?!

More information to follow.

In addition to this, there is a theatre production that is taking place in the cloister gardens of Dore Abbey on Wednesday 11 July (same week as the walk!) and suggested that some ladies might like to go along. It's a performance of Shakespeare's 'Much Ado About Nothing' by the Rain or Shine Theatre Company <http://>

Meet at church at 6.00pm so that we can share lifts.

Please let Dorothy or Janice know if you'd like to come along.

### **Venventure Vacancy**

Venventure are one of a number of partners working with the Building Better Opportunities project which aims to come alongside people who have multiple and complex needs who are not in work. Using our high impact relational approach we will work directly with these individuals and will follow a proven process that helps them face their problems, realise their

own resources and overcome their barriers to worklessness. What a difference the power of Jesus love could make in these lives.

We now require an additional link worker to join the team currently working on this project. Given the nature of the work and the people we help, these roles are especially suited to church people. For more details about the role or how to apply please see the members notice board.

### **Bring and Share Lunch**

There is no bring and Share lunch on 1st July, however we are planning to hold the church picnic on July 8th at Queenswood. Please pray that we would be able to get out and enjoy Queenswood.

### **Silver Diners**

Please note that there will be **NO** Silver Diners on Thursday 5th July.
